5 December 1996

Ref: EGP/3/96

Dear Mr. Ben Ayed

I am pleased to confirm successful completion of the Miskar project implementation works at the Hannibal site.

As a result of the above, there is a need to notify you of the requirement to demobilise the Piraco services currently utilised by the project. The date of demobilisation of services is set for 20th December 1996.

I would like to express my thanks for the professional and responsive manner in which Piraco have provided services and for the quality of work undertaken by your company over the period of the project works. The aforementioned has been noted and will be considered with respect to future project works to be undertaken by British Gas.

Finally, I would request that Piraco notify myself of any outstanding retentions and forward any outstanding invoice requirements to our finance department at the earliest time, this will ensure early resolution of any outstanding payments. I wish you and your company the best for the future.

Yours Sincerely

S.R. Jones
Project Manager.
